Report on the Financial Statements

We have audited the accompanying financial statements of the Chester County Tax Collection Committee ("the Committee"), Downingtown, Pennsylvania as of and for the years ended December 31, 2015 and 2014, and the related notes to the financial statements, which collectively comprise the Committee's basic financial statements, as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Committee's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Committee's internal control. Accordingly, we express no such opinion. An audit also includes

Members of the Management Committee  
Chester County Tax Collection Committee

evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net position of the Chester County Tax Collection Committee, Downingtown, Pennsylvania, as of December 31, 2015 and 2014, and the changes in its net position and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

*Required Supplementary Information*

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 4 through 8 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

*Other Information*

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Committee's basic financial statements. The budgetary comparison schedule on page 17 is presented for purposes of additional analysis and is not a required part of the basic financial statements. This schedule is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. This schedule has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the budgetary comparison schedule is fairly stated in all material respects in relation to the basic financial statements as a whole.

Members of the Management Committee  
Chester County Tax Collection Committee

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 1, 2016 on our consideration of the Committee's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Committee's internal control over financial reporting and compliance.

## **CHESTER COUNTY TAX COLLECTION COMMITTEE**

### **MANAGEMENT'S DISCUSSION AND ANALYSIS - UNAUDITED**

This discussion and analysis of the Chester County Tax Collection Committee ("CCTCC") of Chester County, Pennsylvania, provides an overview of the CCTCC's performance for the years ended December 31, 2015 and 2014. Please read it in conjunction with the CCTCC's financial statements, which begin on page 9.

The purpose of the CCTCC is to oversee collection and to appoint a tax collector to collect, within the Tax Collection District, earned income tax, local services tax, and other taxes. Act 32 requires the CCTCC to assume jurisdiction over earned income tax. Act 32 also allows the CCTCC to assume jurisdiction over other taxes. The CCTCC shall assume jurisdiction over local services tax levied by those taxing authorities that have signed and provided the documentation required by the CCTCC. The CCTCC may also in the future assume jurisdiction over other taxes.

#### **FINANCIAL HIGHLIGHTS**

- In 2015, the CCTCC received \$30,000 in committee member allocation, a decrease of \$10,000 from 2014. In 2014, CCTCC received \$40,000 in committee member allocation, a decrease of \$10,000 from 2013.
- As of December 31, 2015, the CCTCC reported ending net position of \$59,995, a decrease of \$10,202 as compared to December 31, 2014. As of December 31, 2014, the CCTCC reported ending net position of \$70,197, a decrease of \$8,487 as compared to December 31, 2013.

#### **USING THIS ANNUAL REPORT**

This annual report consists of three parts: management's discussion and analysis, financial statements, and supplementary information. The financial statements also include notes that explain in more detail some of the information in the financial statements.

#### **Required Financial Statements**

The financial statements report information about the CCTCC using full accrual accounting methods as utilized by similar business activities in the private sector. These statements offer both short-term and long-term financial information about its activities.

The statement of net position includes all of the CCTCC's assets and liabilities and provides information about the nature and amounts of investments in resources (assets) and obligations (liabilities). It also provides the basis for evaluating the capital structure of the CCTCC and assessing the liquidity and financial flexibility of the CCTCC. All of the current year's revenues and expenses are accounted for in the statement of revenues, expenses, and changes in net position. The statement of cash flows provides information about the CCTCC's cash receipts and cash payments during the reporting period. The statement reports cash receipts, cash payments, and net changes in cash resulting from operations, investing, and capital and related financing activities; and provides answers to such questions as, "From where did cash come?;" "For what was cash used?;" and "What was the change in cash balance during the reporting period?"

**CHESTER COUNTY TAX COLLECTION COMMITTEE**

**MANAGEMENT'S DISCUSSION AND ANALYSIS - UNAUDITED (CONT'D)**

**FINANCIAL ANALYSIS OF THE COMMITTEE**

One of the most important questions asked about the CCTCC's finances is, "Is the CCTCC better or worse off as a result of the year's activities?" The statement of net position and statement of revenues, expenses, and changes in net position report information about the CCTCC's activities in a way that will help answer this question. These two statements report the net position of the CCTCC and changes in net position. The reader can think of the CCTCC's net position (the difference between assets and liabilities) as one way to measure financial health or financial position. Over time, increases or decreases in the CCTCC's net position is one indicator of whether its financial health is improving or deteriorating. However, the reader will need to also consider other nonfinancial factors such as changes in economic conditions, population growth, and new or changed legislation.

The CCTCC's assets exceeded liabilities by \$59,995 at the close of 2015; by \$70,197 at the close of 2014; and by \$78,684 at the close of 2013. Our analysis focuses on the assets (Table 1) and the changes in net position (Table 2) of the CCTCC.

<b>Table 1</b>			
<b>CHESTER COUNTY TAX COLLECTION COMMITTEE'S NET POSITION</b>			
<b>December 31, 2015, 2014, and 2013</b>			
	<u>2015</u>	<u>2014</u>	<u>2013</u>

<b>Total Net Position</b>	<u>\$ 59,995</u>	<u>\$ 70,197</u>	<u>\$ 78,684</u>

As of December 31, 2015, 2014, and 2013, the largest portion of the CCTCC's net position reflects its available cash. The majority of the accounts payable of the CCTCC was incurred for administrative fees.

The CCTCC is a governmental entity created, organized, and required to appoint a tax collector to collect earned income tax and possibly other taxes throughout the CCTCC District. Revenues for the CCTCC include committee member allocations from the taxing authorities of Chester County and interest income.

**CHESTER COUNTY TAX COLLECTION COMMITTEE**

**MANAGEMENT'S DISCUSSION AND ANALYSIS - UNAUDITED (CONT'D)**

At the end of 2015, 2014, and 2013, the CCTCC is able to report a positive balance in net position for each year. The revenues for the CCTCC for the years ended 2015 and 2014 decreased from the previous year due to the lower costs that were expected to be incurred for the current year.

The CCTCC's unrestricted net position may be used to meet the CCTCC's operating expenses. During 2015, the CCTCC's operating expenses were \$8,325 less than in 2014. During 2014, the CCTCC's operating expenses were \$4,157 less than in 2013.

Table 2 shows the changes in net position for the years ended December 31, 2015, 2014, and 2013.

	<u>2015</u>	<u>2014</u>	<u>2013</u>
<b>Revenues:</b>

Net Position, December 31	<u>\$ 59,995</u>	<u>\$ 70,197</u>	<u>\$ 78,684</u>

As indicated by the following graphs, for 2015, committee member allocation accounted for almost all (99.7 percent) of the total revenues of CCTCC. Interest income makes up the remainder of total revenues. Professional fees accounted for approximately seven percent of the total expenses of CCTCC. Administrative costs accounted for approximately 75 percent of the total expenses of CCTCC, while audit and accounting expense accounted for approximately nine percent of the total expenses of the CCTCC.

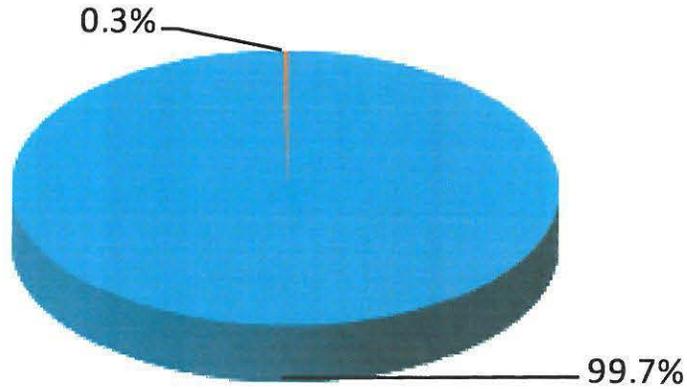

Other expenses include office expense and insurance expense, which make up approximately one and eight percent, respectively, of total expenses of CCTCC.

#### **Capital Assets**

The CCTCC does not have any capital assets.

#### **Long-term Debt**

The CCTCC does not have any long-term debt outstanding.

#### **ECONOMIC FACTORS AND BUDGET**

In preparation of the fiscal year 2016 budget, there were no changes to the procedures behind creating the budget. The budget is based upon the future needs of funds to meet the expenses of the CCTCC. Total revenues are budgeted at \$30,200, and total expenses are budgeted at \$39,200 for fiscal year 2016. This represents a net decrease of \$9,000 to net position.

#### **ON-GOING PROJECTS**

The CCTCC does not have any currently on-going projects.

#### **REQUESTS FOR INFORMATION**

This financial report was designed to provide a general overview of the CCTCC's finances for those with an interest in the government's finances. NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 BACKGROUND AND PURPOSE

***Background***

The Chester County Tax Collection Committee (the "Committee") is a government entity created and organized under Act 32 of 2008, which amended and restated the Local Tax Enabling Act. Under Act 32, the Committee is required to appoint a tax collector to collect income tax and possibly other taxes throughout the Chester County Tax Collection District, and to oversee the appointed tax collector's collection within the Tax Collection District.

The following school districts and municipalities are within the Tax Collection District. These school districts and municipalities are considered "taxing authorities."

***Purpose***

The purpose of the Committee is to oversee collection and to appoint a tax collector to collect, within the Tax Collection District, earned income tax, local services tax, and other taxes. Act 32 requires the Committee to assume jurisdiction over earned income tax. Act 32 also allows the Committee to assume jurisdiction over other taxes. The Committee shall assume jurisdiction over local services tax levied by those taxing authorities that have signed and provided the documentation required by the Committee. The Committee may also in the future assume jurisdiction over other taxes.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Committee complies with generally accepted accounting principles ("GAAP"). GAAP includes all relevant Governmental Accounting Standards Board ("GASB") pronouncements. The accounting and reporting framework and the more significant accounting policies are discussed in subsequent subsections of this Note.

Reporting Entity

For financial reporting purposes, the primary government of the Committee includes all boards that make up the Committee's legal entity.

Basis of Presentation

The statement of net position and the statement of activities display information about the Committee as a whole.

The financial statements are prepared using the accrual basis of accounting. Revenues are recognized when they are earned, and expenses are recognized when they are incurred.

CHESTER COUNTY TAX COLLECTION COMMITTEE

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

The Committee adheres to the provisions of GASB Statement No. 34, "Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments," and GASB Statement No. 38, "Certain Financial Statement Note Disclosures." Statement No. 34 establishes standards for external financial reporting for all state and local governmental entities, which includes a statement of net position; a statement of revenues, expenses, and changes in net position; and a statement of cash flows. It requires the classification of net position into three components - net investment in capital assets, restricted, and unrestricted. These classifications are defined as follows:

- **Net investment in capital assets** – This component of net position consists of capital assets, including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of those assets. If there are significant unspent related debt proceeds at year end, the portion of the debt attributable to the unspent proceeds is not included in the calculation of net investment in capital assets. Rather, that portion of the debt is included in the same net position component as the unspent proceeds.
- **Restricted** – This component of net position consists of constraints placed on net position use through external constraints imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments or constraints imposed by law through constitutional provisions or enabling legislation. It is comprised of assets, net of related liabilities, that are required to be set aside by revenue bond covenants for operations, maintenance, and renewal and replacements.
- **Unrestricted** – This component of net position consists of net position that does not meet the definition of "net investment in capital assets" or "restricted." Administrative expenses are paid with the use of unrestricted resources.

Budgets

Budgets are adopted on a basis consistent with generally accepted accounting principles. Annual budgets are presented and approved at the annual meeting for all of the Committee delegates. Annual appropriations lapse at the end of the fiscal year. For 2015, there were no budgetary amendments.

Cash

The Committee's cash is considered to be cash held in the bank.

## CHESTER COUNTY TAX COLLECTION COMMITTEE

### NOTES TO THE FINANCIAL STATEMENTS

#### NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

##### Revenues and Expenses

Revenues and expenses are distinguished between operating and nonoperating items. Operating revenues generally result from providing services in connection with the Committee's principal ongoing operations. The principal operating revenues of the Committee are committee member allocations.

Operating expenses include mostly administrative expenses. All revenues and expenses not meeting these definitions are reported as nonoperating revenues and expenses.

##### Use of Restricted/Unrestricted Net Position

When an expense is incurred for purposes for which both restricted and unrestricted net position is available, the Committee's policy is to apply restricted net position first.

##### Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates. Currently, there are no estimates used in the financial statements.

#### NOTE 3 DEPOSITS

##### *Deposits*

##### Custodial Credit Risk

Custodial credit risk is the risk that in the event of a bank failure, the government's deposits may not be returned. At December 31, 2015, the carrying amount of the Committee's deposits was \$78,487, and the bank balance was \$78,487. All of the bank balance was covered by federal depository insurance. At December 31, 2014, the carrying amount of the Committee's deposits was \$82,027, and the bank balance was \$82,027. All of the bank balance was covered by federal depository insurance.

#### NOTE 4 RELATED PARTY TRANSACTIONS

The Committee is involved in various transactions with the Chester County Intermediate Unit ("CCIU"), which could be a related party because of shared Board members. Both the Board of Directors of the Committee and CCIU are comprised of representatives from various Chester County school districts. As of December 31, 2015 and 2014, no Board member served on both the CCIU and Committee's Board of Directors.

CHESTER COUNTY TAX COLLECTION COMMITTEE

NOTES TO THE FINANCIAL STATEMENTS

NOTE 4 RELATED PARTY TRANSACTIONS (cont'd)

The CCIU provides general and administrative services to the Committee for its operations. For the years ended December 31, 2015 and 2014, the Committee was responsible for reimbursing the CCIU \$30,313 and \$33,750, respectively, for general and administrative services provided. Of these amounts, \$15,000 and \$8,438 were payable to the CCIU as of December 31, 2015 and 2014, respectively.

The CCIU is contracted to provide these services to the Committee through January 31, 2017. Future payments to the CCIU are as follows:

Year Ending December 31,

2016	\$ 27,250
2017	<u>2,250</u>
	<u>\$ 29,500</u>

NOTE 5 SUBSEQUENT EVENTS

The Committee has evaluated all subsequent events through March 1, 2016, the date the financial statements were available to be issued.

March 1, 2016

Members of the Management Committee  
Chester County Tax Collection Committee  
Downingtown, Pennsylvania

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Chester County Tax Collection Committee ("the Committee"), Downingtown, Pennsylvania as of and for the year ended December 31, 2015, and the related notes to the financial statements, which collectively comprise the Committee's basic financial statements, and have issued our report thereon dated March 1, 2016.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Committee's internal control over financial reporting ("internal control") to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing an opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Committee's internal control. Accordingly, we do not express an opinion on the effectiveness of the Committee's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Committee's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Committee's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of the Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Committee's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Committee's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
