INDEPENDENT AUDITOR'S REPORT

March 25, 2022

Members of the Management Committee
Chester County Tax Collection Committee
Downingtown, Pennsylvania

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of the Chester County Tax Collection Committee ("the CCTCC") as of and for the year ended December 31, 2021, and the related notes to the financial statements, which collectively comprise the CCTCC's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the CCTCC as of December 31, 2021, and the changes in its financial position and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS") and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the CCTCC and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

The CCTCC's management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America,

Members of the Management Committee
Chester County Tax Collection Committee

and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the CCTCC's ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the CCTCC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the CCTCC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 4 through 8 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the CCTCC's basic financial statements. The budgetary comparison schedule on page 17 is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The budgetary comparison schedule is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the budgetary comparison schedule is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 25, 2022 on our consideration of the CCTCC's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the CCTCC's internal control over financial reporting and compliance.

CHESTER COUNTY TAX COLLECTION COMMITTEE

MANAGEMENT'S DISCUSSION AND ANALYSIS - UNAUDITED

This discussion and analysis of the Chester County Tax Collection Committee ("the CCTCC") of Chester County, Pennsylvania, provides an overview of the CCTCC's performance for the years ended December 31, 2021 and 2020. Please read it in conjunction with the CCTCC's financial statements, which begin on page 9.

The purpose of the CCTCC is to oversee collection and to appoint a tax collector to collect, within the Tax Collection District, earned income tax, local services tax, and other taxes. Act 32 requires the CCTCC to assume jurisdiction over earned income tax. Act 32 also allows the CCTCC to assume jurisdiction over other taxes. The CCTCC shall assume jurisdiction over local services tax levied by those taxing authorities that have signed and provided the documentation required by the CCTCC. The CCTCC may also assume jurisdiction over other taxes in the future.

FINANCIAL HIGHLIGHTS

- In both 2021 and 2020, the CCTCC received \$41,183 in a committee member allocation. In 2019, the CCTCC received \$30,000 in a committee member allocation.
- As of December 31, 2021, the CCTCC reported ending net position of \$32,347, an increase of \$3,569 as compared to December 31, 2020. As of December 31, 2020, the CCTCC reported ending net position of \$28,778, an increase of \$4,260 as compared to December 31, 2019.

USING THIS ANNUAL REPORT

This annual report consists of three parts: management's discussion and analysis, financial statements, and supplementary information. The financial statements also include notes that explain in more detail some of the information in the financial statements.

Required Financial Statements

The financial statements report information about the CCTCC using full accrual accounting methods as utilized by similar business activities in the private sector. These statements offer both short-term and long-term financial information about its activities.

The statement of net position includes all of the CCTCC's assets and liabilities and provides information about the nature and amounts of investments in resources (assets) and obligations (liabilities). It also provides the basis for evaluating the capital structure of the CCTCC and assessing the liquidity and financial flexibility of the CCTCC. All of the current year's revenues and expenses are accounted for in the statement of revenues, expenses, and changes in net position. The statement of cash flows provides information about the CCTCC's cash receipts and cash payments during the reporting period. The statement reports cash receipts, cash payments, and net changes in cash resulting from operations, investing, and capital and related financing activities; and provides answers to such questions as, "From where did cash come?;" "For what was cash used?;" and "What was the change in cash balance during the reporting period?"

CHESTER COUNTY TAX COLLECTION COMMITTEE

MANAGEMENT'S DISCUSSION AND ANALYSIS - UNAUDITED (CONT'D)

FINANCIAL ANALYSIS OF THE COMMITTEE

One of the most important questions asked about the CCTCC's finances is, "Is the CCTCC better or worse off as a result of the year's activities?" The statement of net position and statement of revenues, expenses, and changes in net position report information about the CCTCC's activities in a way that will help answer this question. These two statements report the net position of the CCTCC and changes in net position. The reader can think of the CCTCC's net position (the difference between assets and liabilities) as one way to measure financial health or financial position. Over time, increases or decreases in the CCTCC's net position is one indicator of whether its financial health is improving or deteriorating. However, the reader will need to also consider other nonfinancial factors such as changes in economic conditions, population growth, and new or changed legislation.

The CCTCC's assets exceeded liabilities by \$32,347, \$28,778, and \$24,518 at the close of 2021, 2020 and 2019, respectively. Our analysis focuses on the assets (Table 1) and the changes in net position (Table 2) of the CCTCC.

TABLE 1			
CHESTER COUNTY TAX COLLECTION COMMITTEE'S NET POSITION			
DECEMBER 31, 2021, 2020, AND 2019			
	<u>2021</u>	<u>2020</u>	<u>2019</u>

Unrestricted	32,347	28,778	24,518
TOTAL NET POSITION	<u>\$ 32,347</u>	<u>\$ 28,778</u>	<u>\$ 24,518</u>

As of December 31, 2021, 2020, and 2019 the largest portion of the CCTCC's net position reflects its available cash. The majority of accounts payable of the CCTCC was incurred for administrative fees.

The CCTCC is a governmental entity created, organized, and required to appoint a tax collector to collect earned income tax and possibly other taxes throughout the CCTCC District. Revenues for the CCTCC include committee member allocations from the taxing authorities of Chester County and interest income.

CHESTER COUNTY TAX COLLECTION COMMITTEE

MANAGEMENT'S DISCUSSION AND ANALYSIS - UNAUDITED (CONT'D)

At the end of 2021, 2020, and 2019, the CCTCC was able to report a positive balance in net position for each year. The revenues for the CCTCC for the year ended 2021 decreased by \$83 compared to 2020 due to a decrease in the interest income. The revenues for the CCTCC for the year ended 2020 increased by \$11,154 compared to 2019 mainly due to an increase in the member allocation revenue.

The CCTCC's unrestricted net position may be used to meet the CCTCC's operating expenses. The CCTCC's expenses for the years ended December 31, 2021, 2020, and 2019 remained relatively consistent.

Table 2 shows the changes in net position for the years ended December 31, 2021, 2020, and 2019.

NET POSITION, END OF YEAR	<u>\$ 32,347</u>	<u>\$ 28,778</u>	<u>\$ 24,518</u>

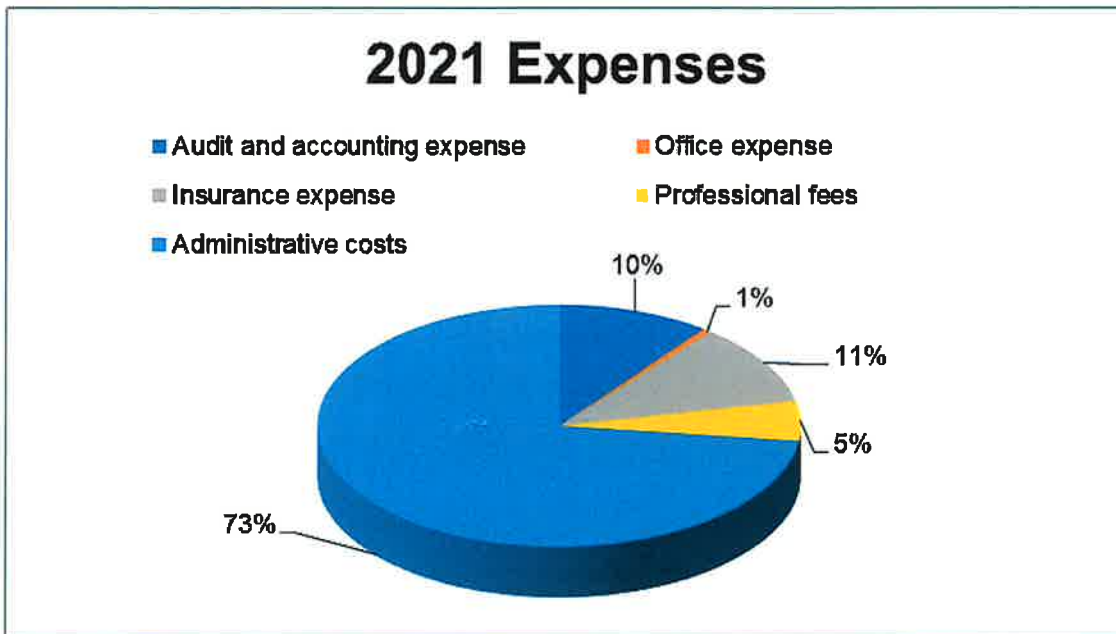

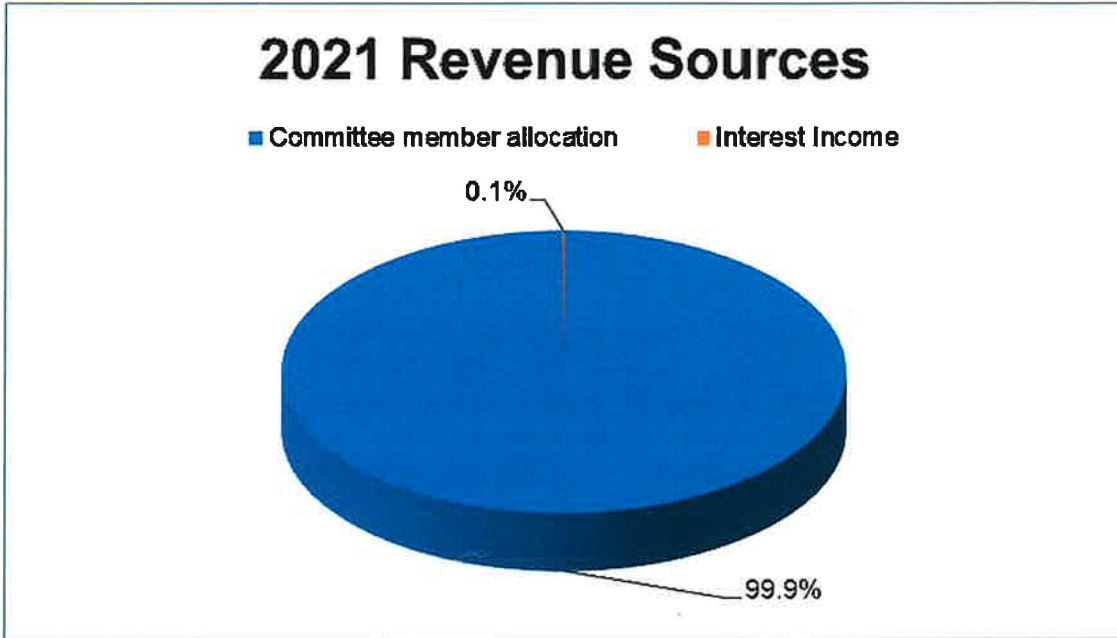

In 2021, 2020, and 2019, committee member allocation accounted for 99.9, 99.7, and 99.5 percent, respectively, of the total revenues of the CCTCC.

Professional fees accounted for approximately 5, 6, and 4 percent of the total expenses of the CCTCC for 2021, 2020, and 2019, respectively. Administrative costs accounted for approximately 73 percent of the total expenses of the CCTCC for 2021, 2020, and 2019, while audit and accounting expense accounted for approximately 10 percent of the total expenses of the CCTCC for 2021, 2020, and 2019.

Other expenses include office expense and insurance expense, which make up approximately 12, 11, and 13 percent, respectively, of total expenses of the CCTCC for 2021, 2020, and 2019, respectively.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 BACKGROUND AND PURPOSE

Background

The Chester County Tax Collection Committee ("the CCTCC") is a government entity created and organized under Act 32 of 2008, which amended and restated the Local Tax Enabling Act. Under Act 32, the CCTCC is required to appoint a tax collector to collect income tax and possibly other taxes throughout the Chester County Tax Collection District, and to oversee the appointed tax collector's collection within the Chester County Tax Collection District.

The following school districts and municipalities are within the Chester County Tax Collection District. These school districts and municipalities are considered "taxing authorities."

Purpose

The purpose of the CCTCC is to oversee collection and to appoint a tax collector to collect, within the Chester County Tax Collection District, earned income tax, local services tax, and other taxes. Act 32 requires the CCTCC to assume jurisdiction over earned income tax. Act 32 also allows the CCTCC to assume jurisdiction over other taxes. The CCTCC shall assume jurisdiction over local services tax levied by those taxing authorities that have signed and provided the documentation required by the CCTCC. The CCTCC may also in the future assume jurisdiction over other taxes.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The CCTCC complies with accounting principles generally accepted in the United States of America. Accounting principles generally accepted in the United States of America include all relevant Governmental Accounting Standards Board ("GASB") pronouncements. The accounting and reporting framework and the more significant accounting policies are discussed in subsequent subsections of this Note.

Reporting Entity

For financial reporting purposes, the primary government of the CCTCC includes all boards that make up the CCTCC's legal entity.

Basis of Presentation

The statement of net position and the statement of revenues, expenses, and changes in net position display information about the CCTCC as a whole.

CHESTER COUNTY TAX COLLECTION COMMITTEE

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

The financial statements are prepared using the accrual basis of accounting. Revenues are recognized when they are earned, and expenses are recognized when they are incurred.

The CCTCC adheres to the provisions of the *GASB Codification of Governmental Accounting and Financial Reporting Standards*, which establishes standards for external financial reporting for all state and local governmental entities, which includes a statement of net position; a statement of revenues, expenses, and changes in net position; and a statement of cash flows. It requires the classification of net position into three components – net investment in capital assets, restricted, and unrestricted. These classifications are defined as follows:

- **Net investment in capital assets** – This component of net position consists of capital assets, including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of those assets. If there are significant unspent related debt proceeds at year end, the portion of the debt attributable to the unspent proceeds is not included in the calculation of net investment in capital assets. Rather, that portion of the debt is included in the same net position component as the unspent proceeds.
- **Restricted** – This component of net position consists of constraints placed on net position use through external constraints imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments or constraints imposed by law through constitutional provisions or enabling legislation. It is comprised of assets, net of related liabilities, that are required to be set aside by revenue bond covenants for operations, maintenance, and renewal and replacements.
- **Unrestricted** – This component of net position consists of net position that does not meet the definition of "net investment in capital assets" or "restricted." Administrative expenses are paid with the use of unrestricted resources.

Budgets

Budgets are adopted on a basis consistent with accounting principles generally accepted in the United States of America. Annual budgets are presented and approved at the annual meeting for all of the CCTCC delegates. Annual appropriations lapse at the end of the fiscal year. For 2021 and 2020, there were no budgetary amendments.

Cash

The CCTCC's cash is considered to be cash held in the bank.

CHESTER COUNTY TAX COLLECTION COMMITTEE

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

Revenues and Expenses

Revenues and expenses are distinguished between operating and nonoperating items. Operating revenues generally result from providing services in connection with the CCTCC's principal ongoing operations. The principal operating revenues of the CCTCC are committee member allocations.

Operating expenses include mostly administrative expenses. All revenues and expenses not meeting these definitions are reported as nonoperating revenues and expenses.

Use of Restricted/Unrestricted Net Position

When an expense is incurred for purposes for which both restricted and unrestricted net position is available, the CCTCC's policy is to apply restricted net position first.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates. Currently, there are no estimates used in the financial statements.

NOTE 3 DEPOSITS

Deposits

Custodial Credit Risk

Custodial credit risk is the risk that in the event of a bank failure, the government's deposits may not be returned. At December 31, 2021, the carrying amount of the CCTCC's deposits was \$43,109, and the bank balance was \$43,109. All of the bank balance was covered by federal depository insurance. At December 31, 2020, the carrying amount of the CCTCC's deposits was \$39,378, and the bank balance was \$39,378. All of the bank balance was covered by federal depository insurance.

NOTE 4 RELATED PARTY TRANSACTIONS

The CCTCC receives administrative services from the Chester County Intermediate Unit ("CCIU"), which could be a related party because of shared Board members. Both the Board of Directors

CHESTER COUNTY TAX COLLECTION COMMITTEE

NOTES TO THE FINANCIAL STATEMENTS

NOTE 4 RELATED PARTY TRANSACTIONS (cont'd)

of the CCTCC and CCIU are comprised of representatives from various Chester County school districts. As of December 31, 2021 and 2020, no Board member served on both the CCIU and CCTCC's Board of Directors.

The CCIU provides administrative services to the CCTCC for its operations. For the years ended December 31, 2021 and 2020, the CCTCC was responsible for reimbursing the CCIU \$27,500 for administrative services provided. Of these amounts, \$6,875 and \$6,750 was payable to the CCIU as of December 31, 2021 and 2020, respectively.

The CCIU is contracted to provide these services to the CCTCC through December 31, 2022. Future payments to the CCIU are as follows:

Year Ending December 31,

2022	<u>\$ 28,000</u>
------	------------------

NOTE 5 UNCERTAINTY

As a result of the spread of the COVID-19 coronavirus which is ongoing as of December 31, 2021, economic and operational uncertainties have arisen which may impact the CCTCC in fiscal year 2022. The extent of the potential impact is unknown as the COVID-19 pandemic continues to develop.

NOTE 6 SUBSEQUENT EVENTS

The CCTCC has evaluated all subsequent events through March 25, 2022, the date the financial statements were available to be issued.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Chester County Tax Collection Committee ("the CCTCC"), Downingtown, Pennsylvania, as of and for the year ended December 31, 2021, and the related notes to the financial statements, which collectively comprise the CCTCC's basic financial statements, and have issued our report thereon dated March 25, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the CCTCC's internal control over financial reporting ("internal control") to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing an opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the CCTCC's internal control. Accordingly, we do not express an opinion on the effectiveness of the CCTCC's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the CCTCC's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the CCTCC's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
